About Us

Founded under Qatari laws in 2013, Indochoyne is an international Import and Export Company specialized in providing high quality interior and exterior furnishings and lighting from top manufactures in Asia and beyond for the Hospitality sector, Education and Health care sectors, Offices and Households.

With a knack for world class quality and style, Indochoyne offers products that meet the highest standards of precision and durability to compliment the growing demand for first class furniture and lighting in the Middle East as a whole.

As Qatar gears up for the FIFA World Cup 2022, there is a significant increase in the provision of first class hospitality for all visitors. In this light, Indochoyne seeks to bridge the gap by providing quality equipment or furnishing for the hospitality industry to compliment the excellent service and overwhelming Qatari hospitality.

Image for a moment an ideal place:- a sumptuous hotel lobby, a chic restaurant or a casual bar.....

Products & Services

Having built strong partnerships with various top brands in Asia and beyond, Indochyne furnishings are specified in a broad range of environments from residential to commercial and hospitality . Services are tailored to a clientele who value the company's commitment to producing objects that are innovative in design and uncompromising in their quality.

Crafted of natural materials like timber, leather, steel, and stone, the company's furnishings are designed for those who value quality, innovation and honest materials. Furthermore, our products created with lasting craftsmanship, timeless design principles and stories. We offer an original collection of furniture pieces in various finish and size options.
